

SPRING SPRING

SPRING

Was your student aid discontinued? Apply for basic social assistance from Kela.

Remember the taxation of student aid if you have other income during the year.

Kela's preliminary decisions on repayment are sent. Go over yours and request a review if necessary. The payment arrangements are negotiable.

Check your credits from the autumn and your income from last year. Return student aid by the end of April if necessary.

Apply for student aid if you plan to study in the summer.

SPRING

SPR

CONTINUING STUDENT:

SUMMER

You can get general housing allowance in the summer too – check the amount of allowance if your income changes.

Did you get a letter about the annual review of general housing allowance? Submit the annual review application to Kela in time.

If you are not studying or working, apply for basic social assistance from Kela.

You do not need to reapply for student aid.

Apply for an addition to your student loan from your own bank.

SUMMER

SUMMER

SUM

NEW STUDENT:

Apply for student aid and general housing allowance from Kela.

Apply for a student loan from the bank.

Keep your payslips.

SUMMER

AUTUMN

Check your credits from the spring and return student aid by the end of August if necessary.

Did you get a request for further information regarding your study progress in October? Always reply to all requests for further information from Kela to avoid your aid being discontinued.

Is your student aid being discontinued next year? You can apply for basic social assistance from Kela. The payment of general housing allowance will continue.

Will there be any changes that affect you next year?
