## EXCHANGE STUDENT

## MEMBERSHIP FEE FOR THE ACADEMIC YEAR 2021–2022

In order to become a member of the Student Union of the University of Helsinki (HYY) for the academic year 2021–2022 and to get a student card (digital and/or plastic), you have to pay the Student Union's membership fee. Doctoral/PhD students may join the Student Union too, if they wish, but they are not entitled to travel discounts. Please see the appendix 'Welcome to HYY' and HYY's website ([hyy.fi/en/membership](https://hyy.fi/en/membership)) to read about the various benefits and services that the Student Union offers to its members.

Student union membership fee has earlier included a health care fee of the Finnish Student Health Service. Due to a law reform, exchange students cannot use the services anymore as of January 2021, and therefore the membership fee has been reduced.
